

*The Rose Alley Ale House has 38 constantly rotating taps with some of the finest beers from around the world. Our lines are cleaned regularly and our beers sell fast! If we don't have what you're looking for, yet or anymore, one of our servers will gladly suggest another great brew for you...and we are always open to your suggestions...*

Come join the 3rd Annual Rose Alley Beer Summit! You will be taken on a journey of 29 different draft beers of all styles and origins throughout the 29 days of February. "Summiteers" are required to finish and rate each of the beers on the Summit List. Completely finish all 29 beers on the beer summit list, and you will be enshrined in the Rose Alley Mug Club, where you will receive a hand blown glass beer mug and a personalized 2012 Rose Alley Beer Summit shirt. Festivities Kick Off and lists will be released February 1st at 8am during a weekday version of our Kegs and Eggs Breakfast! (request the day off now)
